

## Tanel Teemusk

Tech Lead and iOS Developer

- ✉ [tanel@teemusk.com](mailto:tanel@teemusk.com)
- ☎ [+372 52 44 100](tel:+3725244100)
- 🌐 [teemusk.com](http://teemusk.com)
- in [linkedin.com/in/tanelteemusk](https://linkedin.com/in/tanelteemusk)

With extensive experience in iOS development, I excel at both technical execution and effective leadership. Specialized in managing complex software projects, I serve as a key link between executive management and technical teams. My ability to simplify complex technical concepts ensures clear communication and efficient problem-solving across the organization.

*Overwhelmed by tech project complexities? I'll bring the order and efficiency your IT department needs.*

## Experiences

### Massruum

Role: Tech Lead and Business Manager

Tech Stack: Swift, JavaScript, PHP, Unity, WordPress, HTML/CSS

Overview: Orchestrated tech solutions for diverse clients, increasing sales and success rates.

#### Key Projects

#### Ökotuba

**Achievements:** Turned a startup idea into a thriving e-commerce platform specializing in beauty products, contributing to significant revenue growth.

#### MOKAfit

**Achievements:** Feature development and maintenance for on-demand fitness video platform that rapidly gained popularity in Estonia.
